

Tracey Reports for April 2019

REPORT - April 8, 2019 from Tracey John Hittel of [Kitimat Lodge](#),

A cracking season opener for our clients

A cracking season opener for our clients that visit the Northern BC coast in search of hot Steelhead. One of our clients caught a steelhead in the first pool of the day after 5 casts! Now that's good guiding. River levels are creeping up and so are the tidal Steelhead entering the rivers for the May spawn.

Best guiding we have had it years

It does not get any better than this. "Keep-em-wet" in a soft mesh net to get the perfect pic. It is **NOT** too late to book a guided fishing trip on this beautiful river. [Contact me](#) anytime if you are interested.
