REPORT - September 24, 2019 from Tracey John Hittel of [Kitimat Lodge](#).
Skeena River Steelhead and Coho on the same day.

Skeena River **Steelhead** available on the main stem and a few "prime" tribs. These are all "wild" fish. Skeena River **Coho** available on many, many rivers both inland and even in Coastal streams. **WOW** lots of choices. If you are interested, lets say, to hook both Steelhead and Coho on the same day just contact me **Noel Gyger** noel@noelgyger.ca. I look forward to hearing from you soon. Book before end of October 2019....or next year :-)?

Coho on Scotty downriggers

Scotty Downriggers for BC Cohos.

Besides fishing rivers for steelhead and salmon during our Kitimat Lodge, BC trip, we also had a chance to troll for Coho salmon in Douglas Channel. This weeks feature image is of Ben Reubeni holding up a nice BC saltwater Coho . . .
